GOOOOD EVENING, GOTHAM!!!

COME ON, COME CON— Y'ALL CAN DO BETTER THAN THAT!
WOOOOOO!!!

WELCOME—
to GOTHAM MINISTRIES!
Look at this place!
Man, I LOVE church!

I mean—where else can you come as you are...
sing your favorite songs...
feel good about yourself...
and leave happier than you walked in?

This can't be real...
Riley... are you seeing this?

Seeing what?
Do you not know who that is?
I don't know, you just be saying stuff on some philosophical, shut up.

This go hard.
Huey, keep it down will ya. At least [illegible] folks still go to church.
I don't know,

Ooookay—okay, okay, okay...
You're gonna love this part.
And ohhh buddy—
what a TEAM we've got.

You've got ME as your wonderful prophet.
And as our main pastor...
And leading us in music...

Our lead deacon—
making sure
everyone gets a seat.

And of course—none of this would be possible...
without all of your generosity.....

Now—before we go any further, I wanna give a little kudos...
...to the folks who really got the word out.
Some of you came because you were welcomed...
And some of you came because you were warned.
So let's hear it for our evangelism team—

WOO!
YEAH!
WOO!
YEAH!
YEAH!
WOO!

Okaaay, okay—
let's settle in.
Now tonight's message
is a special one.
She's brilliant,
She's passionate.
And she really
cares about
the future.
YEAH!
So give it up for—
DR. PAMELA ISLEY.

You know... one of the most comforting things about Him...

is that He wants to give you whatever your heart desires.

Whatever it is.

It doesn't matter if it's money...

...power,

...fame,

...anything.

Ask—and you shall receive.

...What?

You know... I think we spend way too much time worrying about what we're doing wrong.
But it doesn't really matter
You don't need to repent.
You don't need to apologize.
Jesus loves everyone.
